An Authentic Dead Sea Experience

The Mineral Swim™ System combines 100% Dead Sea minerals with natural pool water purification to create therapeutic, healthy and crystal clear water

Imagine you're swimming in the ancient body of water known as the Dead Sea. Immerse yourself in its natural beauty, your skin starts to feel softer, rejuvenated by the salts and minerals revered over the ages for their healing qualities. The warm sun shines down upon you, filtered through layers of mind-clearing oxygen and saline mists. Buoyed by the salts, you swim peacefully and in harmony with the Earth. Your body returns to balance in the unique Dead Sea waters.

Now imagine experiencing this in your very own swimming pool. Mineral Swim, crafted by Maytronics, is composed of authentic salts and minerals completely from the Dead Sea. An infusion of these Minerals in your swimming pool is like bringing the Dead Sea home. Mineral Swim offers the Dead Sea's natural health benefits and relaxing properties to you, right where you live.

Thousands of Years of Health and Beauty to your Pool

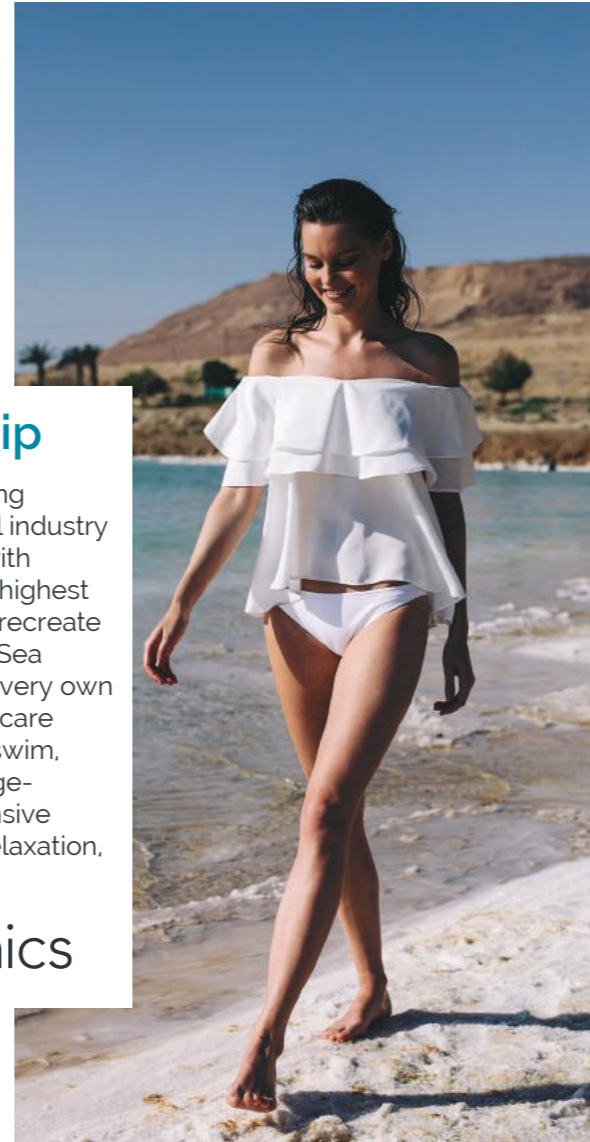

The Perfect Partnership

"Low Allergens and Oxygen at high atmospheric pressure make the Dead Sea an epicentre for health research and treatment."

A Perfect Balance of Science and Nature

For thousands of years, the Dead Sea has attracted visitors from around the world, searching to renew their skin's vitality and youthfulness with the magnesium (Mg) rich mineral deposits along its shores. With high mineral content, low concentration of pollens, allergens and oxygen at high atmospheric pressure, the Dead Sea is an epicentre for health research and treatment. The health and wellbeing benefits of Dead Sea Minerals are well documented and include:

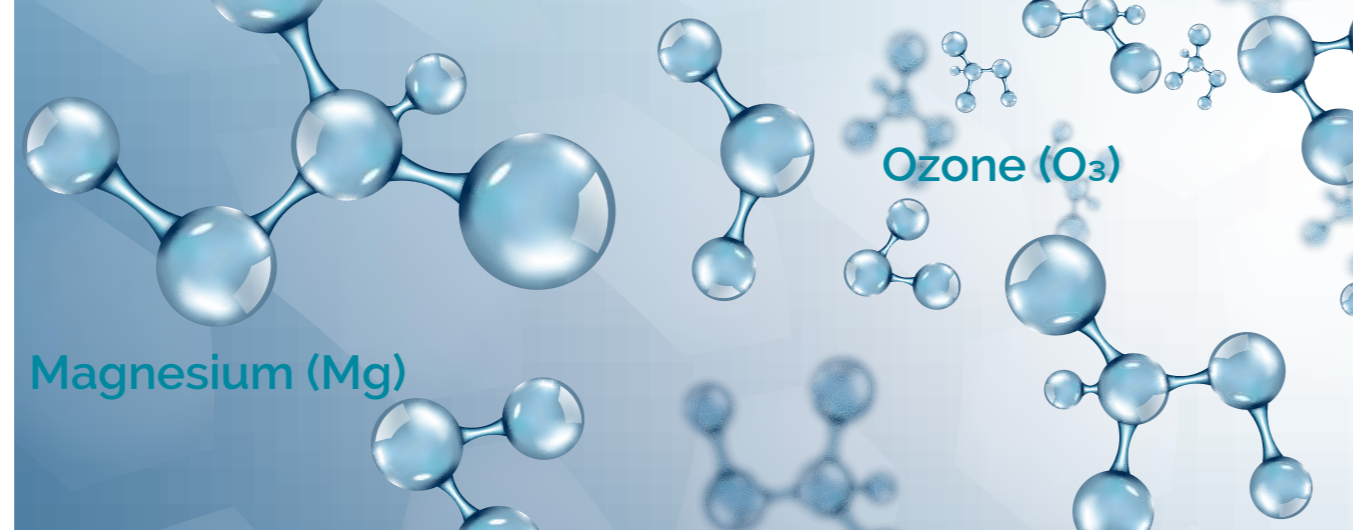

- Vitality for the skin's healthy function
- Promotes cellular renewal for a youthful looking skin
- Facilitates cell-to-cell communication
- Nourishes the skin's top layers

1 Minerals

mineralswim™ 100% Natural Dead Sea Minerals

Pure 100% Dead Sea minerals

Delivering a range of health and well-being benefits. The magnesium (Mg) rich Dead Sea minerals have been known to:

- Enhance pool water quality – softer and more gentle than traditional salt and chlorine pools - ideal for sensitive skin.
- Reduce chemical & water usage - offering a more environmentally friendly solution.
- Provide exceptional water clarity - magnesium is a natural flocculant.
- Help to ease muscle tension.
- Stimulate skin hydration and soften the skin.
- Recreate a natural mineral pool that people have enjoyed for centuries at the Dead Sea.
- Detoxify and regenerate the skin, boosting it's natural defence system.

2 Ozone

ozoneSwim® Natural Water Purification

The Ozone Advantage:

Ozone is the smart, environmentally friendly choice for pools and spas. Using technology to produce ozone (O₃), a naturally occurring and extremely powerful oxidiser that when combined with mineral sanitation provides the ultimate in pool care.

Ozone Swim Benefits:

- Healthier pool water
- Dual purification & safe sanitisation
- Crystal clear & odour-free
- Gentle on eyes and soft on skin
- Enhances water balance
- Compatible with any existing pool system
